  - Orders: - only todays orders will be shown, it will show Completed/Pending list, Order details with Restaurant and User Information, Continuous Location Updates and Change status i.e. Parcel Picked/Delivery InProgress/Delivered

# Advantages and Limitations

- **Advantages**
  - For those who are disabled and elderly, who cannot get out of the house, people who don't have anybody to physically support them, the food ordering app is very useful.
  - No need to waste time standing in long queues.
  - When we order food more regularly and get familiar with all the deals and discounts, we can avail the benefits during special occasions.

- **Limitation**
  - Data need to be entered properly otherwise, outcome may won't be accurate.
